WORK EXPERIENCE

Basalt Wealth Inc **New York, NY**
Equity Research Analyst Intern 05/2026 - 07/2026

- Analyzed Baker Hughes financial statements, segment disclosures, industry trends, and macroeconomic drivers to identify investment catalysts and key risks
- Built a standalone DCF valuation model using revenue forecasts, margin assumptions, unlevered free cash flow, WACC, terminal value, and sensitivity analysis
- Synthesized research findings into an equity research report covering the investment thesis, valuation, catalysts, and risks to support a final buy, hold, or sell recommendation
- Evaluated the strategic impact of the Chart Industries acquisition and incorporated team feedback into the final investment analysis

Swanlux (Clothing Brand) **London, ON, Canada**
Owner 04/2024 - 04/2026

- Launched and independently operated an e-commerce clothing brand, managing sourcing, inventory planning, order fulfillment, and customer delivery
- Applied Python, Pandas, and NumPy to clean and analyze monthly Shopify sales data and automate inventory forecasting
- Used Shopify sales data to optimize inventory levels and purchasing decisions, reducing stockouts and excess inventory by 15%
- Managed budgeting, cost control, and sales analysis, generating CAD 7,500 in revenue during the first six months
- Coordinated with international suppliers and streamlined apparel sourcing and logistics, reducing landed costs by 8%

Qingdao Hengrunda Clothing Co. **Qingdao, China**
Accounting Intern 04/2023 -08/2023

- Reconciled financial records and supported financial statement preparation, maintaining 99.5% data accuracy
- Consolidated procurement and sales data in Excel to track cash movements and support supply chain finance analysis
